Thank you so much Malna!  
The place made our Budapest trip so enjoyable. It's so much nicer than staying at a hotel. We didn't want to leave. We also enjoyed talking to you about George Michaels and laughing. You made us feel so welcomed and comfortable. We will remember you and Hungary (Budapest) as one of the best parts of our trip. Let us know if you ever do come to San Francisco. I know you said you won't ever come... but IF you do, email us.  
Thanks again!!

We've had a great time in Budapest and the apartment has been the perfect base to explore - everything anyone could need is within walking distance - especially handy for grocery shopping at Zan!

The apartment has been far beyond our expectations and we'll definitely look you up if we come to Budapest again.

Think we made the right choice not camping at Sziget!

Best wishes

Dear Malna & Andras,

We had such a great time here that we blew a fuse!

The apartment has been wonderful, from the slippers to the beautiful decor. We really felt relaxed, & at times found it hard to leave for the day. Everything was beyond our expectations - not just the apartment but the amazing city that is Budapest.

Thanks,

We had a great time here in Budapest, made even better by having this lovely apartment to stay in. No detail was overlooked and you were both so helpful from start to finish.

Budapest is a beautiful city and we hope to make it back in the future - now Ryanair fly here direct from Scotland there's no excuse!

Thanks for everything and hope to see you again.
